Mission Statement

The year of 2016 has been one of opportunities and exciting challenges. Kauai Independent Food Bank (KIFB) continues to place a strong emphasis on providing healthy food to those in need. Hunger affects individuals and families from every part of our community, from the youngest keiki (child) to kupuna (senior). Our programs ensure that the food we receive from our generous donors goes to those who need it the most.

We thank the people of Kauai and Niihau for their support and look forward to more opportunities to serve them in the future.

The mission of Kauai Independent Food Bank continues to be:

Educate,

Provide nutritious food for the hungry,

and Respond to emergencies.

Summary of Program Services

Keiki Cafe

In 2016, the Keiki Café program expanded to include Kapaa Boys and Girls Club, serving 10 afterschool programs across the island, and served healthy snacks to more than 800 students every day throughout the school year. Economically disadvantaged children between the ages of 5-17 participating in after-school activities receive a nutritious Super Snack, e.g., granola bar, Gogurt, string cheese, fruit cup, apple or orange, etc. In addition to serving healthy foods to a low-income population, appealing activities are also offered which encourage physical activity and healthy eating and living habits, all while in a safe, structured and supervised environment. We partner with the Boys & Girls Club of Hawaii, YWCA, Kama`aina Kids, and the Department of Education's A+ Program. "The healthy snacks are

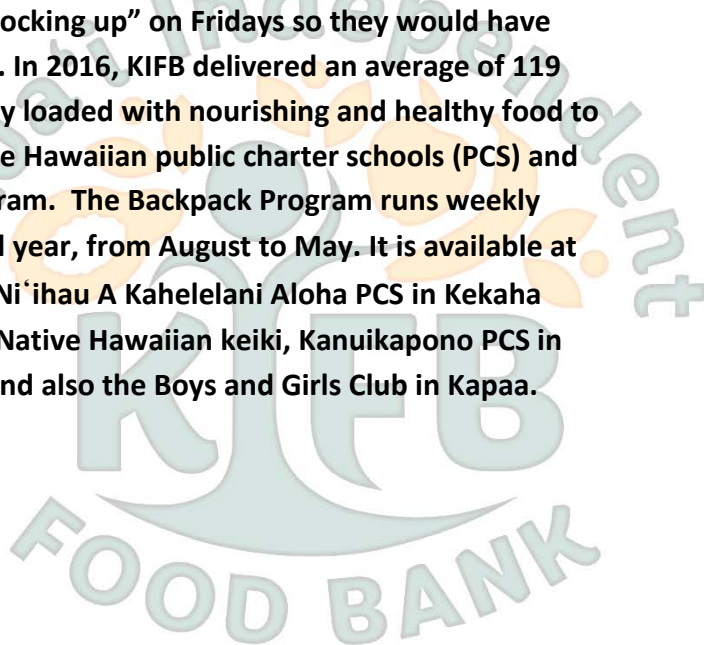

what keep our Boys & Girls Club (BGC) fed after school," explains a staff member at the Lihue BGC. "It refreshes and energizes them for the rest of the day. Keiki Café also encourages them to eat healthy and stay away from junk food."

Backpack Program

The Backpack Program began in 2007 after KIFB staff delivering healthy snacks to a Westside afterschool program observed students "stocking up" on Fridays so they would have food for the weekend. In 2016, KIFB delivered an average of 119 backpacks every Friday loaded with nourishing and healthy food to students at four Native Hawaiian public charter schools (PCS) and one after-school program. The Backpack Program runs weekly throughout the school year, from August to May. It is available at

Ke Kula Ni`ihau O Kekaha PCS and Kula Aupuni Ni`ihau A Kahelelani Aloha PCS in Kekaha whose student enrollment is nearly exclusively Native Hawaiian keiki, Kanuikapono PCS in Anahola, Kawaikini New Century PCS in Lihue, and also the Boys and Girls Club in Kapaa.

Kupuna Program

Through our Kupuna Program, seniors come to our warehouse on scheduled days as part of a monthly outing around the island with their senior center. They stop at the KIFB warehouse at the end of their outing. KIFB staff set out an array of nutritious foods before the visit. The seniors are given 10 to 15 pounds of fresh fruits and vegetables, low-fat dairy products, breads, and other items at no cost. The

KIFB Kupuna Program is an alliance with County of Kauai senior centers, the Agency on Elderly Affairs, Alu Like Native Hawaiian senior centers, and other partner agencies. Through these partnerships, KIFB offered more than 17,000 pounds of nutritious food to an average of 133 seniors in Wailua, Kekaha, Koloa, Lihue, Kapaa, Anahola, Waimea, and Kilauea in 2016.

Uluwehi Emergency Food Distribution

This program allows us to offer anonymous assistance to more than 11,000 individuals who arrive at our warehouse with emergency food needs each year.

Partner Agencies

People of all ages are served through our food distribution to our partner agencies. Over 50 agencies distribute our food bank products throughout Kaua'i, stretching from Kekaha on the west side all the way to Hanalei on the north shore.

Growing Food Together

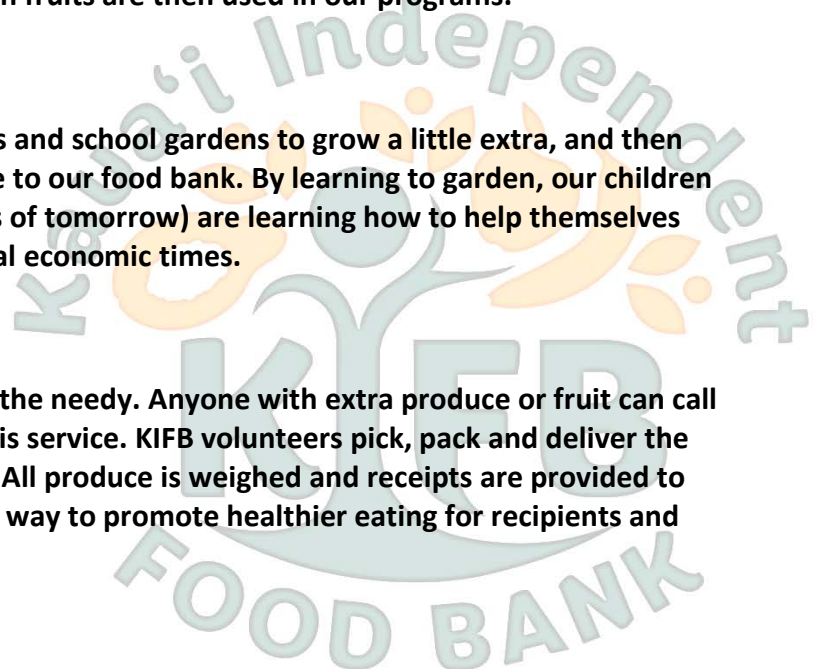

An innovative collaboration with 3 steadfast local donors with large fruit orchards who donate the fruits to the KIFB. These fresh fruits are then used in our programs.

Plant a Row

Encourages gardeners, growers, farmers and school gardens to grow a little extra, and then donate the fresh and nutritious produce to our food bank. By learning to garden, our children (the future leaders and decision-makers of tomorrow) are learning how to help themselves and their families survive in these critical economic times.

Harvesting (Gleaning)

Harvesting is an age-old way of helping the needy. Anyone with extra produce or fruit can call to request the food bank to schedule this service. KIFB volunteers pick, pack and deliver the produce to the KIFB for their programs. All produce is weighed and receipts are provided to the owner for the donation. It's a great way to promote healthier eating for recipients and eliminate food waste.

2016 Highlights

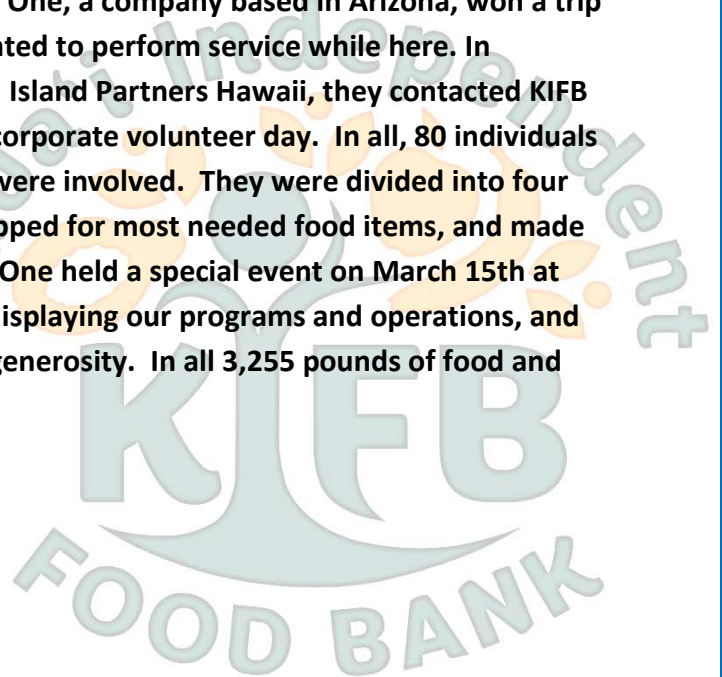

Throughout the year, volunteers from all parts of the community donated their time at KIFB. The notable volunteers pictured here are from AmeriCorp and Wyndham Resorts.

Hunting for the Next Generation is an annual hunting tournament held at Koke'e State Park. In 2016, the coordinators of this event requested that participants donate food items to KIFB at the signup station.

A region of Cable One, a company based in Arizona, won a trip to Kauai and wanted to perform service while here. In cooperation with Island Partners Hawaii, they contacted KIFB about holding a corporate volunteer day. In all, 80 individuals from Cable One were involved. They were divided into four teams of 20, shopped for most needed food items, and made decorated boxes to hold their donations. Cable One held a special event on March 15th at Kauai Marriott Resort. We shared a slideshow displaying our programs and operations, and expressed our gratitude to Cable One for their generosity. In all 3,255 pounds of food and non-food items were donated to KIFB.
